

WELCOME TO CREEKSIDE KIDS!

MISSION: Helping kids to experience and express God's glory

Programs:

We provide programs for children ages 1-10.

Pre-K: children ages 2-5 will watch an age appropriate video, sing songs, play games, and discuss the week's theme.

Elementary: children ages 6-10 will learn the Bible and be impacted by it through a variety of age-appropriate learning activities (picture studies, nature studies, poetry, crafts, storytelling, and more)

Checking In:

You can begin dropping off your child(ren) at 9:45. **You must not lose the corresponding sticker as it is the ONLY way to pick up your child(ren).**

You will check in all your children at the same time however, you will keep elementary aged children with you until they are released after the first set of music. **Children who are not checked in by 10:15 will not be able to participate and must remain with their parents for the duration of the service.**

Snack:

Healthy fruits or vegetables will be provided to Pre-K children over age 2. No outside food is allowed while in the Kids room with the exception of children under 2 or for children with extreme food allergies requiring special diet. If you would NOT like your child to have snack, please have them eat before dropping them off and be sure to let the Supervisor know.

If you would like to sign up to bring snack for the class, please do so on Planning Center or at the check-in table.

Illness:

For the wellness of the other children, please do not drop off your child if they have any of the following conditions in the prior 24 hours: **fever, severe coughing, sneezing, green runny nose and eyes (clear discharge is okay), vomiting, diarrhea, inflamed mouth and throat, or been on antibiotics for less than 24 hours. We will not be able to accept a sick child at check-in and you will be called to come get your child if any of the above symptoms are realized while a child is in our care.**

No outside medications are allowed. You may coordinate with the Supervisor if you need to provide your child medication during the service.

Illness (cont.): If a child happens to get hurt during class, an incident report will be completed and you will be notified during check-out, unless it requires your immediate attention.

Diapers/Potty Training:

If you would like your child to get his/her diaper changed by a female volunteer, please leave your diaper bag with the teachers.

If your child is in the midst of potty training, please be very specific with your directions so your child can be successful.

Special Needs:

Please let a volunteer know if your child has any special accommodations that are needed for them to be successful during class.

Evacuations:

In case of a fire or evacuation, you can meet up with your child(ren) outside under the covered shelter (basketball court). For your safety and theirs, do not, for any reason, try to get to your child during an emergency.

If contact is needed during service:

In case of emergency or immediate attention, you will be contacted by the Supervisor.

Checking Out:

Please pick up your child(ren) within 15 minutes after the service has ended so the team can begin tearing down. **You will not be able to pick-up your child without the security tag.** If you would like your spouse, grandparents, or other trusted adult to pick-up your child, simply hand them the security badge that matches your child's nametag. **However, if this badge is lost, a parent will need to show their ID to the supervisor before your child can be checked out.**

Volunteer!

If you are interested in volunteering Creekside Kids, we would love to have you! Please reach out to Keri at Keri@creekside.me and she will set up a time to meet with you.
