

WELCOME TO CREEKSIDE KIDS!

MISSION: Helping kids to experience and express God's glory

CHECKING IN:

You can begin dropping off your child at 9:50am.. There will be a volunteer at the Check-In table who will enter your child into the system, print a name tag, and give you a security tag for pick-up. ***DO NOT lose the corresponding tag as it is the ONLY way to pick up your child(ren).**

No outside food or toys are allowed in the classroom. Please be sure to have your child finish snacks and hand over toys prior to attending Sunday School.

If you have a crying child, feel free to leave them with a volunteer. If your child is inconsolable, the Supervisor will notify you.

*Please update the database info with a volunteer to add all approved pick-up people for your child(ren).

ILLNESS:

For the wellness of our children and volunteers, please do not drop off your child if they have any of the following symptoms: **fever within the last 48 hours, severe coughing, sneezing, green runny nose or eyes (clear discharge is okay), vomiting, diarrhea, or inflamed/sore mouth and throat.**

No outside medications allowed. If your child needs medication during the service, notify a volunteer and return to the classroom for administration.

If a child happens to get hurt during class, an incident report will be completed and you will be notified during check-out unless it requires your immediate attention.

DIAPERS/POTTY TRAINING:

We are not currently providing diaper changes at this time. If your child needs to be changed, a volunteer will contact you.

If your child is in the midst of potty training, please be very specific with your directions so your child can be successful.

SPECIAL NEEDS:

Please let a volunteer know if your child has any special accommodations that are needed for them to be successful during class.

EVACUATIONS:

In case of a fire or evacuation, you can meet up with your child outside under the covered area on the blacktop.

IF CONTACT IS NEEDED DURING SERVICE:

In case of emergency or immediate attention, you will be contacted by the Supervisor.

If a child is causing a disruption in class that prohibits others from learning, he/she will be given two chances to make good choices until the guardian is contacted.

CHECKING OUT:

Please pick up your child within 10 minutes after the service has ended so the workers can begin tearing down. **You WILL NOT be able to pick-up your child without the security tag. If you would like your spouse, grandparents, or other trusted adult to pick up your child, simply hand them the security tag that matches your child's name tag.** HOWEVER, if this tag is lost, a parent will need to show ID to the supervisor before the child is signed out.

Please wait for a volunteer to match your child's name tag to the security tag BEFORE leaving the Check-Out area. This is the ONLY way we waive responsibility/liability of your child.

TAKE HOME ACTIVITY:

The children may take home an activity sheet based on the Bible lesson in class. There are activities and connection questions that we encourage you to do with your child.

VOLUNTEER!

If you are interested in volunteering on Kids Team, we would love to have you! We strongly encourage regular attendees who use this service to actively take part in helping make this available for all of the families in our church. Please reach out to Jennifer and she can send you a complimentary background check so you can join our team.
